WORK EXPERIENCE

Private Clients

January 2020 - CURRENT (Freelance Photography & Photo Editing)

- Capturing portraits for individual clients, including weddings and family sessions. Completed over 50 sessions.
- Edit photos using Adobe Photoshop and Lightroom to enhance lighting, color balance, and composition. Always deliver within a 48-hour deadline.
- Collaborate closely with clients to meet their needs, resulting in an 80% client satisfaction rate.

March 2020 - December 2023

- Produced and edited promotional videos for small businesses and personal events, completing 12+ projects.
- Applied color grading techniques in DaVinci Resolve to create cinematic footage.

June 2021 - February 2024

- Created original and custom photo and video content for private clients, including social media campaigns and personal branding.
- Created engaging Instagram reels and YouTube videos, increasing the clients' audience engagement by a minimum of 25%.

EDUCATION

Finished High School (2022 - 2023)

Skagit Valley College (2023 - CURRENT)

Currently going for my Associate of Applied Science Degree in Multimedia & Interactive Technology - Web Design
